

City of Burt, Iowa

Ordinance No. 136.03

REMOVAL OF SNOW, ICE AND ACCUMULATIONS Chapter 136

Code of Iowa, Sec. 364.12 (2b & e) Ord 196 – Feb 11 Supp.)

It is the responsibility of the abutting property owners to remove snow, ice and accumulations promptly from sidewalks. Residential property owners should have snow, ice or accumulations removed within forty-eight (48) hours and Walnut Street business property owners should have snow, ice and accumulations removed within twenty-four (24) hours. If not, the City may do so and assess the cost against the property owner for collection in the same manner as a property tax.
