I think summer finally got here! We don't have a lot of programming going on at the library right now but Coffee & Coloring continues to be very popular. We'd LOVE to see more of you here. Yes, men, that means you too!! We have several guys that come up. The name is kind of a misnomer. A few color, a few do puzzles, a few do other crafts, and some just relax and visit. The coffee is always fresh but we have tea, cappuccino, and water too.

We're working on planning for fall and winter already. What kind of programs would YOU like to see? Books clubs, cooking, guest speakers, more crafts? I can't plan great programs that you want to attend if I don't know what you want! Stop in and see me or give me a call.

We are looking for someone who tats and might be willing to teach a tatting class for us. If you can give me any leads and get the word out, I'd appreciate it!

Remember that keeping pets under your control, does not only apply to dogs. If you have cats as a pet, they also need to be kept under your control and cleaned up after.

If you see former Mayor Mike Hamilton around, give him a big thank you for lending a hand (and using this own equipment) when the city had a few extra things come up!

If you are interested in having your utility bill paid directly from your bank account each month, contact City Hall to fill out the necessary paperwork. You will receive your utility bill as usual, but the bank will withdraw the funds from your account on the 15th of each month. One less thing to worry about!

If you are interested in paying the same amount each month on your utility bill, please contact City Hall at 924-3618 about budget billing.

Remember open burning is only for yard waste (**No Garbage**) and is only to be done between the hours of 1:00 – 9:00 p.m. but make sure your neighbors aren't having a gathering outside that your smoke will interfere with. Please do not leave your fires unattended and don't let them smolder for long periods of time.

Any property within the City of Burt, whether vacated or non-vacated, is required to be mowed any time the vegetation reaches a height of more than 8 inches in the months of April, May, June, July, August, September, and October of each year, except for property used for agricultural purposes. Please help us keep our community looking good all summer. Thank you for your cooperation!
