The City of Burt has an ordinance requiring that you have **numbers on your property**. Now that there is a countywide service, they are asking that this be enforced, so they can find an address with better ease. The ordinance states that number must be in a conspicuous place to the street in figures not less than four inches in height and of a contrasting color with their background.

Complaint forms are now available on the city website. www.burtiowa.com. Note that if they are not signed when they are turned in the council will not consider them.

When needing to discuss city business with Employees (mayor and council included) please call or email, not text. Thank you.

The City has updated their computer software! With this, it has the ability for you to have **access to your own account!** Follow these directions to sign up! 1.) Go to: <https://burtiowa.frontdeskworks.com/> 2.) Create new. 3.) Are you already receiving utility bills from us? **CHOOSE YES**. 4.) Then you will type in the account number and street address. Use the exact street address on your bill.

By signing up for **Front Desk** not only will you have access to your own account, but you can also pay your bill, get email billing, and eventually once people get signed up, we will be able to send out notices and notifications this way. There is also a tab on our website labeled Front Desk where you can access this.

A big thank you for all of those who participated in the focus groups. Your input is greatly appreciated.
