If you're "digging into" your fall projects, be sure to put a call to Iowa One Call on your to-do list. Projects That involve digging-such as erecting a fence, planting a tree, building a deck, etc. - have the potential to create havoc with underground service lines, so call Iowa One Call at 811 or 1-800-292-8989 before you dig- it's the law in Iowa! Iowa one call is a free service that will notify the utilities to come mark the location of any underground lines. Then you'll know where- and where not-to dig. You must call 48 hours in advance of your project, not counting weekends or holidays. (If you call after 5pm, the 48-hour clock will start at 8am the next business day.

Burt Municipal Utilities does its best to see that you are satisfied with your utility service.
