The City has updated their computer software! With this, it has the ability for you to have **access to your own account!** Follow these directions to sign up! 1.) Go to: <https://burtiowa.frontdeskworks.com/> 2.) Create new. 3.) Are you already receiving utility bills from us? **CHOOSE YES.** 4.) Then you will type in the account number and street address. Use the exact street address on your bill. By signing up for **Front Desk** not only will you have access to your own account, but you can also pay your bill, get email billing, and eventually once people get signed up, **we will be able to send out notices and notifications this way.** There is also a tab on our website labeled Front Desk where you can access this.

The City of Burt has an ordinance requiring that you have **numbers on your property.** Now that there is a countywide service, they are asking that this be enforced, so they can find an address with better ease. The ordinance states that number must be in a conspicuous place on the street in figures not less than four inches in height and of a contrasting color with their background.

Before you Dig into a project...

If you're "digging into" your spring projects, be sure to put a call to Iowa One Call on your to-do list. Projects that involve digging-such as erecting a fence, planting a tree, building a deck, etc. - have the potential to create havoc with underground service lines, so call Iowa One Call at 811 or 1-800-292-8989 before you dig- it's the law in Iowa! Iowa one call is a free service that will notify the utilities to come mark the location of any underground lines. Then you'll know where- and where not-to dig. You must call 48 hours in advance of your project, not counting weekends or holidays. (If you call after 5pm, the 48-hour clock will start at 8am the next business day.
