If you're "digging into" your spring projects, be sure to put a call to Iowa One Call on your to-do list. Projects that involve digging-such as erecting a fence, planting a tree, building a deck, etc. - have the potential to create havoc with underground service lines, so call Iowa One Call at 811 or 1-800-292-8989 before you dig- it's the law in Iowa! Iowa one call is a free service that will notify the utilities to come mark the location of any underground lines. Then you'll know where- and where not-to dig. You must call 48 hours in advance of your project, not counting weekends or holidays. (If you call after 5pm, the 48-hour clock will start at 8am the next business day.

The city shed is not a dump site. If you need to dispose of something set it out with the garbage and you will be charged accordingly. Remember there are yard waste stickers, appliance stickers and TV stickers. Also, if you are interested in getting rid of appliances, you can call Russ's Recycling at 641-860-0315.

A continuous leak from a hole this size would, over a three month period, waste water in the amounts shown below
