If you want to reach a city employee regarding city business, please contact City Hall instead of personal cell phones. Only in emergency should Joe or Jordan be called on their cell phones.

If you're "digging into" your projects, be sure to put a call to Iowa One Call on your to-do list. Projects that involve digging-such as erecting a fence, planting a tree/garden, building a deck, etc. - have the potential to create havoc with underground service lines, so call **Iowa One Call** at 811 or 1-800-292-8989 before you dig- it's the law in Iowa! Iowa one call is a free service that will notify the utilities to come mark the location of any underground lines. Then you'll know where- and where not-to dig. You must call 48 hours in advance of your project, not counting weekends or holidays. (If you call after 5pm, the 48-hour clock will start at 8am the next business day.)

Per City Ordinance- Mowing is required. Any property within the City of Burt, whether vacated or non-vacated, is required to be mowed any time the vegetation reaches a height of more than 8 inches in the months of April, May, June, July, August, September, and October of each year, apart from property used for agricultural purposes.

Effective April 14 according to the order of Burt City Council therapy and service dogs will be the only animals allowed in City owned buildings and will be required to be on a leash. Thank you.
